LEVEL 9, Monarch Office Tower, One Sheikh Zayed Road, Dubai
P.O Box 333959 DUBAI, UAE

Dear Sir / Madam

Thank you for your interest in our programs offered by Australian International Swim Schools (AISS) which specializes in Aquatic Education and Swimming Programs and is a division of **Australian International Sports Services** which is an Australian founded Dubai based Sports Services and Training Group.

AISS offers a comprehensive range of innovative swimming and aquatic education services and programs. The majority of the programs conducted are unique and have been specially developed to meet the needs of customers in the GCC and it is also the first time many of the special programs have been available outside Australia.

We have operations in many locations in the GCC covering everything from Parent and Child Classes through all levels of Learn to Swim, Stroke Development and Stroke Correction and then also onto Swimming Squads for those wanting to further improve their skills and fitness. We also provide group classes and private swimming lessons for Adults and then Stroke Development and also Fitness and Advanced Adult Squads. We do offer special classes for women in secure locations.

We request that you complete the attached form and then scan or PDF it and send this to us at info@aiss.ae or fax it through to us on 043721221. Once we receive this form we will advise you of the best location and program that will meet your needs and if required we will then have one of our Swim School Coordinators call you in the next 24 hours to assist in finalizing your enrolment. It important that you complete the registration form and then send it in - so we can assist you promptly.

We also have an AISS Questions and Answers sheet on our website that answers some of the common questions asked about the unique methods offered by AISS. This Information Sheet should answer most of your questions that relate to our programs and help you to understand why we achieve the results that we do while teaching swimming and water safety using the Australian Way.

Thank you again for your enquiry and we look forward to providing a successful and enjoyable swimming program for you and/or your children.

We look forward to meeting with you soon at one of our convenient locations.

With regards,

Customer Services Manager
AISS
